The meeting started at 9 am with a prayer song. Members gave their introduction then Sr. Principal told last year's report points.

Then some important points were discussed regarding increasing of 10% fees and the parents wanted to collect information about RTI, Sr. Principal gave replied that we are minority institution and we don't come under RTI.

The other demand of the parents was to change the uniform of students on Wednesday and our generous management immediately implemented it after recommendation.

The next point of discussion was NASA trip that is to be organised by the school management to make a child's dream come true to be among stars.

Next the members of the group decided to introduce new subjects to give them more exposure like Agriculture.

It was advised in the meeting that children should be taken to some new spots for recreational trips or educational tours like NDA etc.

Rev. Sister gave good news that an indoor sports complex will start from the new session in the school for the all-round physical development of children.

Members of the group praised our management for immediate actions and implementation whenever needed.

There was a suggestion from members that cultural events like classical dance or instruments etc should be conducted in the school.

Another important point was discussed that yearly activities that are to be organised should be informed to the children through the message.

The meeting winded up with good refreshment and a healthy talk.
