Structure Stability Certificate

(Whom So Ever It May Concern)

This is to certify that " SACRED HEART CONVENT SCHOOL "Situated at Chak - 6 E Chhoti , P.B. No -75 , Hanumangarh Road , Sriganganagar (Rajasthan)". The building check has been carried out by the structural audit based on the visual inspection & detail collected at site . The structural elements included foundations, columns, beams & slabs at each floor.

The stability of structure is assessed on the visual observation of structure & by visual inspection we found it do not cover any risk arising due dead and live load. Building evaluation has been carried out on the basis of ISO 13822:2010, ISO2394:1998
I found that there is no crack or settlement in the structure.

It is further certified that the existing building is found safe & suitable for which the building is intended.

- (1) Proper drainage of rain water from the premises is maintained
- (2) Proper cleaning of the roofs be ensured so that the rain water immediately drains out

Future life of the building is more than 25 years . Validty of the report is for three years.

Encl :- Existing Map & Photo School Building

Place :- Sriganganagar

Date :-20/07/2026
